Provides that a person who successfully completes the Motorcycle, Safety, Awareness, and Operator Training Program is not required to take a written knowledge test to obtain an "M" endorsement on his driver's license. (8/1/12)

Present law provides that a person who completes a Motorcycle Safety, Awareness, and Operator Training Program is not required to take an operator’s skill test but must complete a written knowledge test to obtain an “M” endorsement on the person’s driver’s license. Proposed law removed the requirement to complete a written knowledge test to obtain an “M” endorsement on a driver’s license.

EXPENDITURE EXPLANATION

The proposed law removes the requirement to complete a written knowledge test to obtain an “M” endorsement on a driver’s license. The Legislative Fiscal Office assumes there will be an insignificant and indeterminate savings as a result of no longer providing testing materials to those seeking an “M” endorsement.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure. The Office of Motor Vehicles does not currently charge a fee for taking the written knowledge test to obtain an “M” endorsement on a driver’s license.
